Dear Alma:

Thanks for inviting me to screen ***One Wedding and a Revolution*** at the 2004 Pikes Peak Lavender Film Festival. Since winning an Academy Award in 1991, my work has focused on creating independent films that address critical diversity issues. A new documentary that takes a behind-the-scenes look at the political process leading up to the first same-sex marriage in San Francisco between longtime lesbian activists Del Martin and Phyllis Lyon, ***One Wedding and a Revolution*** would be a timely addition to this year's festival.

Enclosed is a VHS copy of ***One Wedding and a Revolution*** and the film's press kit.

My other film, ***Let's Get Real***, screened at the Frameline San Francisco Gay and Lesbian Film Festival this year as well. If you are interested in programming this film, please visit www.womedia.org for full information. It would be a pleasure and an honor to screen both films at the festival this year.

Thank you for your interest in my film. I look forward to hearing from you soon.

Sincerely,

Debra Chasnoff
Director, ***One Wedding and a Revolution***
